

F.No. 21- 38/RPC/TFRI/JBP/ 250

Date: 8 /02/2021

CIRCULAR

Online pre-RPC meeting will be held under the Chairmanship of the undersigned on 15th February, 2021 from 10:00 AM onwards to discuss the presentations.

PIs of the New and Change request projects are requested to present Power Point Presentation of the project proposals and Modifications/Extension/Change requests in the projects (sequence of the presentation is attached).

All HoDs, Scientists of TFRI and FRC-SD, Chhindwara will take part in the online presentation from their chambers.

Link to join the online presentation: <https://meet.google.com/xar-rmox-oqf>

Director
TFRI, Jabalpur

Copy to:

1. PS to the Director for prior information to the Director.
2. All Head of Divisions for circulation among the PIs/Scientists of your division.
4. Scientist in-charge, FRC-SD, Chhindwara for circulation among the PIs/Scientists of your centre.
5. Head, Extension Division for coordination of video conferencing.
6. IT in-charge, TFRI, Jabalpur for information and necessary action.

Sequence of the presentation of New project proposals/ Modifications/ Extension/ Change request in the projects

1. New Project Proposals

Sl. No.	Title of projects	PIs
Thrust Area-I: Managing forests and forest products for livelihood support and economic growth		
1.	Ecofriendly management of nursery insect pests of important forest tree species- <i>Pongamia pinnata</i> , <i>Buchanania lanzan</i> and <i>Dalbergia latifolia</i>	Smt. Shalini Bhowate, Scientist-B, TFRI, Jabalpur
2.	Development of Chironji (<i>Buchanania lanzan</i> Spreng.) based agro-forestry system in satpura plateau climatic zone of Madhya Pradesh.	Smt. Mamta Meshram, Scientist B, FRC-SD, Chhindwara
3.	Exploration and utilization of natural forest resource for formulation of mosquito repellents and their evaluation.	Dr. Vishakha Kumbhare, Scientist-E FRC-SD, Chhindwara
Thrust Area-II: Biodiversity conservation and ecological security: Nil		
Thrust Area-III : Forests and Climate Change: Nil		
Thrust Area-IV : Forest genetic resource management and tree improvement		
4.	Introduction and evaluation of <i>Melia dubia</i> Cav. in Central India.	Sh. N. D. Khobragade, Scientist D, FRC-SD, Chhindwara

2. Modifications/Extension/Change request (ICFRE funded) in the projects

S. No	Title of the project	ID No./PI/ Division
Thrust Area-I: Managing forests and forest products for livelihood support and economic growth		
1.	Development of delivery system for field application of <i>Canthecona furcellata</i> as biological control agent against major insect pests (of forest species).	233/TFRI/2017/Ento-1(40) Dr. Pawan Kumar, Sc-E
2.	Development of Gmelina based agroforestry system in Madhya Pradesh.	231/TFRI/2017/Agro-1(21) Dr. Nanita Berry, Sc-E
Thrust Area-II: Biodiversity conservation and ecological security: Nil		
Thrust Area-III : Forests and Climate Change: Nil		
Thrust Area-IV : Forest genetic resource management and tree improvement		
3.	Genetic improvement and conservation of Chironji (<i>Buchanania cochinchinensis</i> Lour) in Central and Eastern India.	249/TFRI-IFP/2018/Gen-1(36) Dr. Naseer Mohammad, Scientist-D
4.	Variability for growth, wood traits and natural regeneration status of <i>Hardwickia binata</i> a multipurpose tree species in Madhya Pradesh.	277-(ICFRE)/TFRI/ 2020-21/GTI-2(44) Dr. N.D. Kobragade, Scientist-D
